100-sheet input tray with optional 550-sheet tray

 **DIMENSIONS**
14.3"D x 14.5"W x 8.7"H for compact office use

Who It Is For

-  Offices with high-volume monochrome printing needs
-  Small businesses requiring fast, reliable output
-  Departments with strict paper usage policies
-  Users needing Ethernet connectivity for network printing

Who It Is Not For

-  Users needing color printing capabilities
-  Workflows with paper trays smaller than 100 sheets
-  Environments without Ethernet connectivity
-  Users requiring mobile app integration

Trade Offs to Consider

- Simpler than higher-end models with advanced features
- Lower paper capacity than some competitors
- No color printing functionality
- No built-in mobile app for remote management

Users Say

● POSITIVES

- ✓ Reliable performance with minimal maintenance
- ✓ Fast print speed reduces queue wait times

● COMPLAINTS

- ⚠ Limited paper tray capacity for high-volume tasks
- ⚠ No mobile app for device management

How It Compares

- Better than basic monochrome lasers with lower speeds
- Similar to other 42 ppm printers without duplex
- Less capable than color printers with advanced features
- More compact than larger office printers

Choose This If...

- ✓ You need high-speed monochrome printing
- ✓ Duplex printing saves paper costs
- ✓ Ethernet connectivity is required
- ✓ You prioritize compact, lightweight design

✗ Skip This If...

- ✗ Color printing is essential for your workflow
- ✗ You require more than 100-sheet paper capacity
- ✗ Mobile app integration is a priority
- ✗ Budget allows for advanced features
