No assembly required

Who It Is For

- ✓ Owners of LQ2170/LQ2180/LQ2190 dot matrix printers
- ✓ Users needing printhead replacements
- ✓ Technicians verifying model compatibility
- ✓ Businesses using legacy printing systems

Who It Is Not For

- ✗ Owners of non-LQ2170/2180/2190 printers
- ✗ Users seeking inkjet printhead components
- ✗ Consumers needing color printing solutions
- ✗ Those requiring warranty support

Trade Offs to Consider

- Limited compatibility with non-series printers
- No built-in diagnostic features
- Requires manual model verification
- No power supply included
- Smaller size may limit durability
- No warranty information provided

How It Compares

- Fits specific legacy printer models
- Smaller size vs. bulkier alternatives
- No warranty vs. branded replacements
- Manual verification vs. automated checks
- Lower cost vs. manufacturer parts
- No installation vs. complex setups

Choose This If...

- ✓ You own a LQ2170/LQ2180/LQ2190 printer
- ✓ Need a printhead replacement
- ✓ Verify model compatibility before purchase
- ✓ Seeking cost-effective parts

Skip This If...

- ✗ Your printer uses a different model
- ✗ You need color printing capabilities
- ✗ Require warranty support
- ✗ Need inkjet printhead components
