## Who It Is For

---

-  Users needing on-the-go document printing
-  Travelers requiring portable office solutions
-  Students printing exams or notes
-  Remote workers with mobile printing needs

## Who It Is Not For

---

-  Users needing color printing capabilities
-  Those without Bluetooth/USB connectivity
-  Individuals requiring duplex printing

## Trade Offs to Consider

---

- Limited to monochrome output only
- Restricted paper size options
- No duplex printing functionality

## How It Compares

---

- Better than traditional inkjet for portability
- Less versatile than laser printers
- More cost-effective than inkjet for high-volume use

## Choose This If...

---

- ✓ Need lightweight portable printing
- ✓ Want inkless operation for cost savings
- ✓ Require mobile office solutions

## Skip This If...

---

- × Need color printing capabilities
- × Require duplex printing
- × Need advanced connectivity options
