## Who It Is For

---

-  Users needing kitchen labels for food items
-  Office workers labeling folders and notebooks
-  Parents labeling vitamins and spices
-  D30 label maker users requiring replacement tapes

## Who It Is Not For

---

-  Users requiring larger label sizes
-  Those needing colored labels
-  People without D30/D10 label makers
-  Users needing labels with adhesive backing

## Trade Offs to Consider

---

-  Lesser durability than premium labels
-  Limited color options
-  Higher cost per label than bulk options
-  No built-in label printer included

## How It Compares

---

- Smaller size for precise labeling
- Clear adhesive for visibility
- Thermal printing (no ink)
- 3-roll pack for frequent use
- Water-resistant for kitchen use
- No permanent installation needed

### Choose This If...

---
