PRINT TECHNOLOGY

Thermal printing with no ink or toner

INCLUDED LABELS

500 pre-cut shipping labels provided

WARRANTY

12-month free replacement service

SUPPORTED PLATFORMS

Works with iOS/Android devices and Windows/Mac

Who It Is For

-  E-commerce sellers needing shipping labels
-  Small businesses with order fulfillment needs
-  Logistics teams managing parcel tracking
-  Users of Shopify/Amazon/UPS platforms
-  Warehouses requiring label printing
-  Shipping service providers

Who It Is Not For

-  Users needing color label printing
-  Those without Bluetooth-enabled devices
-  High-volume label users
-  Non-English language users
-  Dual-sided label requirements
-  Users without technical support access

Trade Offs to Consider

-  Limited to monochrome printing
-  Requires app setup for wireless use
-  No dual-sided label capability
-  Dependent on USB for PC connectivity
-  No built-in battery for portability
-  Restricted to 4.6" maximum label width

How It Compares

- Better than inkjet for label durability
- More flexible than fixed-size label printers
- Simpler than laser printers for shipping use
- Less versatile than color label printers
- More cost-effective than inkjet alternatives
- Slower than laser printers for high-volume use

Choose This If...

- ✓ Need wireless/USB thermal printing
- ✓ Require monochrome shipping labels
- ✓ Want included label stock
- ✓ Value 12-month warranty
- ✓ Use Shopify/Amazon/UPS platforms
- ✓ Need technical support access

Skip This If...

- ✗ Need color label printing
- ✗ Require large volume capacity
- ✗ Lack Bluetooth-enabled devices
- ✗ Need dual-sided labels
- ✗ Prefer no app setup required
- ✗ Need international language support
