Prints up to 15 pages per minute in monochrome

DIMENSIONS

8.27"D x 13.78"W x 5.71"H footprint

WARRANTY

Includes limited manufacturer warranty

WEIGHT

4.69 pounds for portable mobility

Who It Is For

-  Remote workers needing wireless printing
-  Small businesses with low-volume needs
-  Students requiring quiet, compact printing
-  Home users printing receipts or labels

Who It Is Not For

-  Users needing color printing capabilities
-  High-volume office environments
-  Those without 2.4 GHz WiFi access
-  Customers requiring duplex printing

Trade Offs to Consider

- No ink costs vs. higher paper expense
- Portable design vs. larger desktop printers
- WiFi-only connectivity vs. wired options
- Fast monochrome prints vs. color quality

How It Compares

- Better than inkjet for low-cost printing
- Smaller than desktop laser printers
- More convenient than wired setups
- Less versatile than multifunction devices

Choose This If...

- ✓ Need wireless printing without ink costs
- ✓ Prioritize portability and quiet operation
- ✓ Print receipts, labels, or simple documents
- ✓ Use 2.4 GHz WiFi for connectivity

✗ Skip This If...

- ✗ Require color printing capabilities
- ✗ Need high-volume daily printing
- ✗ Lack 2.4 GHz WiFi access
- ✗ Want duplex or advanced formatting
