Who It Is For

-  Medium-sized offices needing fast A3 color printing
-  Teams requiring automatic duplex printing
-  Workgroups with high-volume document needs
-  Departments needing 2 tray support
-  Users wanting Ethernet and USB connectivity
-  Organizations needing 30-day warranty

Who It Is Not For

-  Small businesses with low print volume
-  Users needing fax or finisher options
-  Those requiring higher than 55 ppm speed
-  Individuals without Ethernet connectivity
-  Users needing more than 4700 sheet capacity
-  Those needing 24/7 printer operation

Trade Offs to Consider

-  Limited to 55 ppm color speed
-  No built-in fax or finisher options
-  Requires separate toner cartridges
-  Warranty only covers parts
-  Max paper size is A3 (not legal)
-  No mobile app controls

How It Compares

- Faster than standard A3 copiers
- More affordable than new models
- Fewer features than high-end MFPs
- Better warranty than basic copiers
- Less energy-efficient than LED models
- Smaller footprint than industrial printers

Choose This If...

- ✓ Needs fast A3 color printing
- ✓ Requires 2 trays and duplex
- ✓ Wants Ethernet and USB connectivity

Skip This If...
