

Rongta RPP300 Portable 80mm POS Thermal Receipt Printer

QUICK BUYER GUIDE

Ideal for mobile businesses needing Android-compatible thermal receipts, not for desktop or tablet users

At a Glance Specs

PRINTER TYPE

Portable thermal receipt printer

CONNECTIVITY

Bluetooth and USB connections

PRINT SPEED

60 ppm monochrome printing

PAPER SIZE

80mm thermal receipt paper support

WEIGHT

11.8 ounces lightweight design

COMPATIBILITY

Android phone only support

Who It Is For

- ✓ Mobile food truck operators
- ✓ Event ticketing vendors
- ✓ Retail pop-up shops
- ✓ Marketplace sellers

Who It Is Not For

- ✗ Desktop POS system users
- ✗ Tablet-based retailers
- ✗ Square or Clover POS users
- ✗ Chromebook operators

Trade Offs to Consider

- Limited to Android device compatibility
- No color printing capability
- Requires specific POS software
- No built-in battery power

How It Compares

- Smaller than desktop printers
- Fewer connectivity options
- Narrower device compatibility
- Lower print resolution

Choose This If...

- ✓ Need Android-only thermal printing
- ✓ Prioritize portability
- ✓ Use supported POS software
- ✓ Want simple setup

Skip This If...

- ✗ Require desktop integration
- ✗ Need color printing
- ✗ Use non-supported POS systems
- ✗ Want higher resolution
