

The Perfect Dust Cover Black Nylon SHORT Dust Cover for HP DesignJet T630/T650 Printers

QUICK BUYER GUIDE

Owners of HP DesignJet T630 or T650 printers need a dust cover that protects against dust, spills, and water

At a Glance Specs

MATERIAL

Waterproof nylon with double stitching

DIMENSIONS

51.9" wide x 23.8" deep x 20" high

WATER RESISTANCE

Fully waterproof with anti-static coating

WEIGHT

9 ounces for lightweight portability

COMPATIBILITY

Specifically designed for HP DesignJet T630/T650

CLOSURE

No closure for easy access to printer

Who It Is For

-  Users with HP DesignJet T630 printers
-  Users with HP DesignJet T650 printers
-  Owners needing dust protection for printers
-  Users requiring spill and water resistance
-  Those needing lightweight cover for storage

Who It Is Not For

-  Users with non-HP DesignJet T630/T650 printers
-  Those needing a cover with closure mechanism
-  Users requiring heavy-duty construction
-  People needing cover for printer stands
-  Individuals wanting multi-printer compatibility

Trade Offs to Consider

-  Lightweight but not heavy-duty
-  No closure limits accessibility
-  Specific to two printer models
-  Does not cover printer stand
-  No additional features beyond protection

How It Compares

- Lighter than full-size covers
- More focused on printer protection
- No closure vs. sealed covers
- Specific to HP models vs. universal fits
- Waterproof vs. water-resistant alternatives

Choose This If...

- ✓ You own HP DesignJet T630 or T650 printer
- ✓ Need protection from dust and spills
- ✓ Want lightweight cover for storage
- ✓ Require waterproof cover without closure

Skip This If...

- ✗ You need cover for printer stand
- ✗ Require closure mechanism
- ✗ Own different printer models
- ✗ Want heavier-duty construction
