PROTECTION

Blocks dust, spills, water, and scratches

Who It Is For

-  Users with HP DesignJet T210/T230/T250 printers
-  Those needing dust protection for printers
-  Owners of compact wireless plotter printers
-  Users requiring spill-resistant coverings
-  People storing printers in dusty environments

Who It Is Not For

-  Users with non-HP DesignJet printers
-  Those needing UV protection
-  People requiring lightweight covers
-  Users with limited storage space
-  Individuals needing color options

Trade Offs to Consider

-  No UV protection against sunlight
-  Limited to specified printer models
-  Does not include mounting hardware
-  Requires manual installation
-  No warranty beyond 100% guarantee

How It Compares

- Offers better durability than generic covers
- More water-resistant than standard options
- Provides better dust protection than plastic covers
- Less expensive than branded alternatives
- Easier to clean than fabric covers

Choose This If...

- ✓ Provides durable protection for specified printers
- ✓ Blocks dust, spills, and water effectively
- ✓ Easy to clean and store
- ✓ Offers 100% satisfaction guarantee

Skip This If...

- ✗ Does not protect against UV exposure
- ✗ Limited to specific printer models
- ✗ Requires manual installation
- ✗ No warranty beyond 100% guarantee
