#### INK TYPE

**Quick-drying pigment ink for durable prints**

#### CONNECTIVITY

**USB port for direct device connection**

#### MEDIA SIZE

**Supports A3 labels for large-format printing**

#### INCLUDED ACCESSORIES

**Positioner, USB drive, and portable case included**

## Who It Is For

---

-  Users needing on-the-go barcode printing
-  Warehouses tracking inventory with batch numbers
-  Designers creating custom labels for products
-  Retailers applying expiration dates to packaging
-  DIY artists printing logos on unconventional surfaces
-  Logistics teams marking shipping containers

## Who It Is Not For

---

-  Users requiring high-speed industrial printing
-  Applications needing 2-sided label printing
-  Environments with extreme temperature fluctuations
-  Projects requiring 3D object printing capabilities
-  Users needing networked printer connectivity
-  Bulk label printing operations

## Trade Offs to Consider

---

-  Portable design vs. limited print speed
-  Quick-drying ink vs. waterproof durability
-  Touch screen interface vs. physical buttons
-  Single-sided printing vs. duplex capabilities
-  USB connectivity vs. wireless options
-  A3 media size vs. compact portability

## How It Compares

---

- Better than desktop printers for mobile use
- Superior to laser printers for label printing
- More versatile than dedicated barcode scanners
- Less capable than industrial inkjet printers
- Better than thermal printers for color output
- Worse than UV printers for outdoor durability

## Choose This If...

---

- ✓ Need portable labeling solutions
- ✓ Print variable data on diverse materials
- ✓ Require touch screen interface for customization
- ✓ Value quick-drying ink for fast turnaround
- ✓ Need A3 label printing capabilities
- ✓ Want included accessories for immediate use

## Skip This If...

---

- ✗ Require high-speed batch printing
- ✗ Need 2-sided label printing
- ✗ Expect wireless connectivity options
- ✗ Need waterproof printing capabilities
- ✗ Require networked printer access
- ✗ Need compact size for tight spaces
