Available since August 2016

✓ Who It Is For

- ✓ Users needing high-volume black printing
- ✓ Businesses requiring compatible cartridges
- ✓ Professionals needing reliable output
- ✓ Users prioritizing long-lasting toner

⊗ Who It Is Not For

- ⊗ Users with low print volume needs
- ⊗ Those requiring color toner options
- ⊗ Printers incompatible with Troy 3015
- ⊗ Users needing quick replacement cartridges

⚖ Trade Offs to Consider

- Higher cost per page than remanufactured
- Limited color options available
- No refillable design option
- Slower print speed than some alternatives

⇄ How It Compares

- Compare with remanufactured cartridges (lower cost)
- Compare with OEM cartridges (higher cost)
- Compare with color toner cartridges (no color)
- Compare with refillable cartridges (no refill option)

✓ Choose This If...

- ✓ Need high-volume black printing
- ✓ Require compatible cartridges
- ✓ Prioritize reliable output
- ✓ Value long-lasting toner capacity

✕ Skip This If...

- ✕ Print volume is low
- ✕ Need color toner options
- ✕ Printer is incompatible
- ✕ Require quick replacement
