## Who It Is For

---

- ✓ Photographers using PRO-300 printers
- ✓ Users requiring 300-page yield per cartridge
- ✓ Bulk buyers needing 10 cartridges
- ✓ Printers with specific PFI300 ink requirements

## Who It Is Not For

---

- ✗ Users relying on printer ink level alerts
- ✗ Those needing automatic low-ink warnings
- ✗ Consumers without spare cartridge backups

## Trade Offs to Consider

---

- No ink level display on printer
- Manual cartridge replacement needed
- No automatic warning for low ink
- Requires careful orientation during installation

## How It Compares

---

- Higher yield than standard cartridges
- Bulk packaging saves time on restocking
- Specific ink formulation for PRO-300 printers

### Choose This If...

---

- ✓ Need 300-page yield per cartridge
- ✓ Purchase 10 cartridges at once
- ✓ Use PRO-300 Professional Photographic Printer

### Skip This If...

---

- ✗ Require automatic ink level tracking
- ✗ Need printer warnings for low ink
- ✗ Cannot keep spare cartridges on hand
