Who It Is For

-  Users printing magenta-heavy designs
-  Owners of DesignJet T850/T950 printers
-  Professionals requiring consistent color output
-  Users needing 300ml ink capacity

Who It Is Not For

-  Owners of non-DesignJet printer models
-  Users requiring cyan or black ink
-  Those needing higher page yield variants
-  Customers prioritizing eco-friendly ink

Trade Offs to Consider

- Water-based ink may smudge on porous media
- 300ml capacity requires more frequent refills
- No built-in ink level monitoring
- Limited to A3/A4 paper size compatibility

How It Compares

- Compare with 738 Cyan for color pairing
- Check 738 Black for monochrome printing
- Evaluate 738 Photo Yellow for full-color workflows
- Compare page yield with 738 Photo Magenta alternatives
